The struggles' strategy of the Communist (Maoist) Party of Afghanistan for the victory of the new democratic revolution in the country is the strategy of the People's War. (approved Statute of the Third general Congress of the Party)

Long Live Marxism-Leninism-Maoism!

## **Condemn, Oppose, and Resist the Aggressive War of U.S. Imperialism and Israel Against Iran!**

The Rampant U.S. Imperialism — the Number-One Enemy of the Oppressed Peoples of the World, the Principal Source of International Terrorism, and Bloodthirsty, Savage Butchers — Has, through Its Rabid Regional Dog (Israel), Launched Aggressive Attacks on Iran's Sovereign Territory Starting at 3 a.m. on Friday, June 13, 2025, with Full Support of U.S. Imperialism and Continues to Intensify Its Attacks. This Aggressive War by Israel Is Fueling Even More Warmongering by Bloodthirsty U.S. Imperialism in the Region.

Israel's Aggressive War — Backed Unreservedly by U.S. Imperialism — Unveils the Deep Crisis in the United States, Its Inter-Imperialist Contradictions Worldwide, and the Unrelenting Efforts of the White House Under Fascist Trump to Repartition the World's Natural Resources. On the Other Hand, This Aggressive Domination to Impose Global Hegemony Is Met with Resistance by Chinese Social-Imperialists and Russian Imperialism.

U.S. Imperialists Who Present Themselves as Saviors from Terrorism Are, in Truth, the Main Source of Terrorism. From the Sinister Legacy of Atomic Bombs on Japan to the Mass Slaughter of Tens of Thousands of Vietnamese; from Deploying Massive Napalm Bombs on Vietnam, the Continuous Missile Strikes on Iraq, and the Aggressive and Destructive War that Killed Oppressed People in Afghanistan Since 2001 to the Blatant Invasion of Iraq in 2003; from Arming Undemocratic Forces to Encouraging Terrorist Activities, Plotting Coups and Counter-Coups, Enforcing Economic Sanctions That Starve Millions to Death, Practicing Racism, and Thousands of Other Examples of U.S. Imperialist Barbarity.

The Innate Character and Barbaric Nature of Imperialism Are War, Plunder, and Pillage. Israel's Aggressive Assault — as the Rabid Dog of Imperialism in the Region — Also Embodies This Character. Over 700 Attacks (Including 330 Initial Bombs on June 13, Plus Subsequent Repeated Bombardments) Carried Out by Israel Have Resulted in the Death and Injury of More Than Two Thousand People over the Last Eight Days — a Vivid Demonstration of This Barbaric and Aggressive Nature. Meanwhile, Iran Too Has Conducted Around 500 Attacks (Including 400–450 Missiles and Drone Strikes), But as a Legitimate Defense of Its Sovereignty and Territorial Integrity.

Israel and U.S. Imperialism Are Punishing Iran's Reactionary Theocratic Regime under the Pretext of the "Nuclear Issue," Yet After Seven Days of War, the Outcome Was Quite the Opposite. It Became Evident That the Conflict Was No Longer Simply About Defense Against Aggression; Rather, by the Eighth Day, It Was Clear That Trump and His Cohorts Were Pursuing Total Domination over Iran, aiming to collapse the Theocratic Regime and install a pro-imperialist regime of their liking to Guarantee U.S. Interests in the Region. By Supporting Israel, They Aim to Instill Fear and Terror among Regional Nations, Coerce Them into Submission, and Force Them to Bow to This Aggressive Hegemonism.

More Than Forty-Six Years Have Passed Since the Emergence of the Iranian Clerical Regime — a Theocratic Reactionary Rule That Has Never Hesitated to Commit Crimes Against the Toiling Masses of Iran. This Theocratic Reactionary Regime Shot and Executed Revolutionary, National, and Democratic Forces — Even Ordinary Toilers and Women Who Refused to Bow to the Forced Hijab. The Islamic Republic Is a Fully

Reactionary and Theocratic Regime That Massacred the Revolutionary Forces of Iran. However, This Does Not Mean That We Endorse the Punishment of Iran by the United States and Its Rabid Dog (Israel). The Overthrow of Such a Reactionary Regime Must Be Accomplished by the Oppressed Masses of Iran Under the Leadership of the Proletariat and Its Vanguard Party.

The Communist (Maoist) Party of Afghanistan Strongly Condemns the U.S.-Israeli Military Aggression Against Iran and Stands Shoulder to Shoulder with the Revolutionary Forces and the People of Iran. Revolutionary Forces in Iran Must Remain Vigilant and Mobilize the Masses to Rise Up Against This War. Revolutionary Forces in the United States and Israel Must Also Adopt a Defeatist Stance Towards This War.

We Strongly Condemn U.S. Imperialism's Efforts to Expand Its War-Mongering, Which Drives the World Towards a Massive Global Conflict. We Call Upon All Revolutionary and Democratic Peoples to Resist This Imperialist War.

It Is Essential That All of Us Stand Together to Defend Nations' Right to Self-Determination.

It Is Essential That, Under These Circumstances, We Become a Unified Voice of Protest Against Aggressive Imperialist Wars and the U.S. and Israeli War Machines.

In Addition to Afghanistan and Iran, Progressive Iranians in Europe, the United States, Canada, and Other Parts of the World — Together with Afghan Comrades and Friends — Must Be Active in Anti-War Campaigns, Unite with Progressive and Revolutionary Anti-War and Anti-Imperialist Movements in These Countries, and Help Make Them Even More Militant.

If Imperialist Governments and Reactionary Regimes in the Middle East Sow Wind, They Will Reap the Storm — That Is the Verdict of History. What Will Ultimately Defeat U.S. Imperialism Is the Revolutionary Power of Millions of Conscious Masses Through Revolutionary Violence and People's War — Both in the Oppressed Nations Under U.S. Domination and Within the U.S. Itself. Victory Lies with the Gravediggers of Imperialism: The Proletariat of All Countries and the Oppressed Nations of the World.

**Let Us Rise Against the Warmongering of U.S. Imperialism and Israel!**

**Let Us Strengthen the Mighty Anti-Imperialist Movement in the Region!**

**Let Us Spread the Anti-Imperialist Anti-War Movement Across the World!**

**Communist (Maoist) Party of Afghanistan**
